An Overview of Its Purpose and Origins

The secret language of birthdays website is an online personality system developed by Gary Goldschneider, inspired by his work in astrology, numerology, and psychology. The platform aims to assign specific personality traits, tendencies, and compatibilities to each birthday, creating a detailed profile that describes individuals born on that day. The website offers a comprehensive database where users can enter their birth date to discover detailed descriptions of their personality, strengths, weaknesses, romantic tendencies, career preferences, and more. It essentially acts as a personalized guide, revealing the "secret language" encoded within your birth date. - Assigning personality traits: Based on the date, the system attributes specific qualities, such as creativity, leadership, sensitivity, or independence.
- Determining compatibility: The
